

Welcome

It is my pleasure to invite you on behalf of the project Sino-German Alumni Network in Psychosomatic Medicine and Psychotherapy (DCAPP) to participate in our symposium on 6th November in Heidelberg, Germany.

The symposium “psychosomatic medicine in Germany and China” aims to bring together German and Chinese scholars and practitioners who are interested in psychosomatic medicine and psychotherapy. Within the symposium we will discuss transcultural aspects of psychosomatic medicine and psychotherapy in Germany and China. We would like to invite you to join us to discuss developments, opportunities, implications, and challenges for the future.

Sincerely,

PD Dr. Jonas Tesarz

About DCHAN

The Sino-German Alumni Expert Network (Deutsch-Chinesisches Alumnifachnetzwerk, DCHAN) consists of seven Alumni network groups with varying specific topics. The Sino-German Alumni Network in Psychosomatic Medicine and Psychotherapy (DCAPP) is one of them. DCHAN is supported by the German Federal Ministry of Education and Research (BMBF).

DCHAN promotes the exchange of and cooperation among German and Chinese Alumni, relevant partners, experts, and other Stakeholders, institutions and organizations in Germany and China via a communication and networking platform. The Alumni networks support cooperation in science, economy and society.

You are most welcome to join our DCHAN network group and become part of the cross-institute community.
